POOL COLLECTION

TREND®

Born with style

trend-group.com

Beautiful mosaics. Exquisitely designed.

We have created the perfect bond
between glass and color and are
dedicated to merging them into
beautiful and innovative designs.

A collection of high-quality colors, to shape up your dreams.

TREND glass mosaic dialogues with the brightness of the sky and the water. A classic covering, elegant and discreet, integrated in the surrounding environment in landscape swimming pools, or emphasized, playful and scenic in designer swimming pools, the TREND mosaic guarantees quality, long life, resistance, easy maintenance, making a swimming pool really valuable, a real investment.

Fast, easy and safe installation

TREND supports represent **the best solution for the installation of the mosaic in any environment**, including where there's direct contact with water as in steam baths and swimming pools. TREND pre-mounted supports guarantee maximum flexibility of the sheets while ensuring stable and secure support during installation without detaching of the tiles.

Die dargestellten Farben sind indikativ und können Farbtonunterschiede aufweisen. Die Farbe des Wassers ist ebenfalls als rein indikativ zu betrachten. Die tatsächliche Farbe des Wassers kann je nach Wetterbedingungen, Pooltiefe und anderen Faktoren variieren.

Los colores expuestos son orientativos y puede haber diferencias de tonalidad. El color del agua presentado en las imágenes debe considerarse solamente como ejemplo. El tono real del agua puede variar en función de las condiciones climáticas, la profundidad del tanque, así como de otros muchos factores externos a tener en cuenta.

Представленные цвета являются ориентировочными и могут отличаться по тональности. Цвет воды представленной на изображении тоже ориентировочный. Фактический цвет воды может варьироваться в зависимости от погодных условий, глубины бассейна и многих других факторов.

Green is much more than a color

TREND Group's mosaics are manufactured using **up to 78% of post-consumer recycled glass** and 60% less raw material, combining technological advances with environmental awareness.

Colors inspired by nature, expressions of contemporary style, examples of using our resources more efficiently.
