ECLETTICA

2.B

Eclettica è il sistema di pareti modulari firmato 2B. Eleganti e non invasivi, questi wall in vetro e alluminio suddividono lo spazio con leggerezza, adattandosi a qualsiasi tipo di contesto abitativo.

Eclettica is the new modular wall system signed 2B. Elegant and non-invasive, the glass and aluminium walls divide space with lightness, adapting to any environment.

/ Double soul

Terra

Le molteplici finiture e cristalli disponibili rendono questo prodotto un partner ideale per i progetti di interior design contemporaneo. Utilizzato come separè, come porta divisoria o per creare una cabina armadio, Eclettica riesce ad integrarsi perfettamente all'ambiente.

The several finishes and glasses available make this product an ideal partner for contemporary interior design projects. Used as a booth, as a partition door or to create a dressing room, Eclettica perfectly integrates into the environment.

anima

Acqua

Dal walk-in, alla nicchia, al cabinato, le potenzialità compositive di Eclettica sono infinite: la semplice griglia consente di costruire composizioni aperte o chiuse con pannelli laterali e porte. Nata per l'ambiente bagno, è un prodotto solido e versatile, con un'eccellente tenuta dell'acqua.

From the walk-in, to the niche, to the cabinet, the potential of Eclettica is infinite: the simple grid allows to build open or closed compositions with side panels and doors. Designed for the bathroom environment, it is a solid and versatile product with excellent watertightness.
